

## **Introduction to the Voice of the Child**

Giving children an opportunity to share their voice is clearly mandated in our legislation. As family professionals, it is vital to be able to explain the Voice of the Child to parents. This online webinar is an Introduction to the Voice of the Child, how to present it to parents, and how parents may obtain this to assist them with settlement. Brief exploration of the service variations for the Voice of the Child including Voice of the Child Reports, Child-Inclusive Mediation, Child-Protection Mediation, Parenting Coordination, Therapy, and the Children's Lawyer. Learn how to make the distinction and how to assist families in deciding how to proceed.
